

Our Lady of Mercy Academy Maintenance Mechanic Job Posting

Our Lady of Mercy Academy (OLMA) seeks a full-time Maintenance Mechanic. This full-time 12 month position will support the work of the Director of Facilities. The position will assist in the general upkeep and ensure the infrastructure is safe and functional of our facilities and grounds, with the ability to make repairs, and carry out maintenance processes with a keen eye for detail. The candidate should have five plus years experience as a maintenance mechanic with knowledge and understanding of all aspects of running a medium scale facility. This position requires physical activity, the ability to climb ladders and move heavy objects.

Candidates must possess a High School diploma, a valid New Jersey Driver's License with a clean driving record and a low pressure black seal certification (or the ability to obtain it within six months of employment). Required to submit a Criminal History background check, State of New Jersey Sexual Misconduct/Child Abuse Clearance, (employment is conditional upon the results of these inquiries.) Participate in Virtus Training. An added bonus would be that the candidate has an understanding of an all-girls school that celebrates both empowering our students and our faith-based roots.

OLMA is an all-girls, faith-based high school offering rigorous academics. Our students are empowered to be empathetic leaders, using their skills and voices to help lead a world of change. We seek faculty and staff who embrace these expectations.

To apply, please send a cover letter and resume to Matt Lenguadoro, Director of Athletics and Facilities, at mr.lenguadoro@olmanj.org
