Dear Freshman Parents/Guardians,

Since the 2018-2019 school year, OLMA has operated as a 1:1 Chromebook school. This technology initiative allows for each student to have an individual Chromebook device for educational use at school and at home and is designed to support and enhance the learning experience for our students and faculty.

OLMA is committed to preparing students for success in the classroom and beyond and the 1:1 Chromebook initiative strengthens our ongoing focus on technology as a key to unlocking the 21st Century skills necessary in a digital world. The requirement of individual devices fosters a challenging and engaging personalized learning environment and stimulates student motivation, creativity, and growth vital for thriving in an innovative society.

As part of this 1:1 Initiative, **all incoming freshmen are required to purchase a Chromebook**. A Q&A has been developed and is enclosed to provide our families with additional information on the Chromebook 1:1 Initiative, including specifications and recommendations for purchasing a Chromebook device.

Should you have any further questions, please contact Ms. Valore, Dean of Academics & Leadership:  
[ms.valore@olmanj.org](mailto:ms.valore@olmanj.org).

Thank you,

**Ms. Jennifer A. Valore**
