

Thank you for supporting OLMA Athletics

Our Lady of Mercy Academy empowers young women to lead a world of change and achieve their full potential as individuals, scholars, athletes, and leaders. Rooted in Catholic faith and guided by the spirit of Saint Mary Joseph Rosello, our school community thrives on: a sisterhood that forever bonds us in faith and friendship; pride, passion and purpose in all we do, think and say; a caring environment of acceptance, support, achievement, and in service to others.

In 1962, the Daughters of Our Lady of Mercy established OLMA as South Jersey's all-girls Catholic school.

How your donation helps...

The mission of OLMA's Green and Gold Booster Club is to build an environment that inspires young women athletes as well as coaches, parents and community members to collectively create a positive and spiritual atmosphere for the athletic programs.

Your donation will help provide equipment, uniforms, facility upgrades and much more to help the growing athletics program at Our Lady of Mercy Academy.
